Subject: Action memo Documents

In reviewing the files before sending to HQ, Shawn and/or Dan Ryan changed the names of the files associated with the Action Memo. In looking thru the files quickly I'm not picking up any other changes but just in case for comparison purposes when we get stuff back from HQ later today I wanted to make sure you folks had versions of the documents as sent by Shawn last night (and which of course HQ is reviewing). Thanks, dennis.

PS to Heather - you had a couple of comments late yesterday but the files had already been sent to Shawn. We can check today after we get HQ comments to make sure we also address your comments.
